

## Securing personnel with heart.

We bring applicants from Germany and abroad together with employers and support both sides in the application process.

For our customers (hospitals and retirement homes) we are urgently looking for

### **Geriatric nurse / Health care and nursing staff (m/f/d)**

You can expect:

- Holistic and individual care of the residents / patients
- Documentation by EDP
- Implementation of and compliance with quality- and care standards of the facility
- Space and hearing for your ideas
- A dynamic, multicultural team with colleagues of all ages
- Close cooperation and communication with other professional groups ( doctors, therapists, etc.)

You may bring:

- Completed training in nursing care for the elderly or in health and nursing care
- You have a big heart for people and enjoy working with older people
- Appreciative interaction with residents, relatives, caregivers and colleagues is a matter of course for you
- Motivation, commitment reliability and the ability to work in a team are among your strenghts.
- EDP-user knowledge or the willingness to aquire it

You can look forward to:

- Trusting and transparent cooperation
- Flexible working time models (e.g. part-time) to reconcile family and career
- Fair remuneration with additional benefits and bonuses covered by collective agreements
- Vacation entitlement of at least 24 days
- Company pension plan
- Participation in the organization of work schedules
- A wide range of training and development opportunities
